April 2012

Dear Colleagues,

The children's classes continue to grow and increase in number, which is the good news. At the Esenge church on Friday one boy had a picture Bible so I asked to see it. It was a Jehovah Witness Bible!

It is wonderful that the Lord has given me the burden of having Children's Bible Classes and it is wonderful that He has given us the materials and most of all the teachers. Yet as it tells us in Ephesians, it is a hostile world. With many cultic churches in our area, we are definitely engaged in the battle for the hearts and minds of these children. We CANNOT do this alone. We NEED your prayers for the penetration of the Gospel to the minds and hearts of these children.

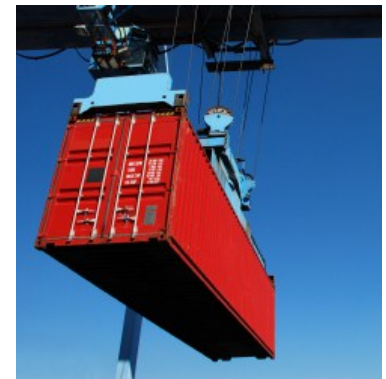

Again, this is a reminder of items we would like to ship in the ocean container in mid-May...
