AIRPLANE! URGENT NEED!

June 2018

Dear Friends:

Every June I fly from Lodja to Lubumbashi, a five-hour flight, for the annual inspection of our mission airplane. This year the mechanic found the cam shaft dangerously worn. (Praise the Lord I arrived safely!)

The mechanic in Lubumbashi is not equipped to repair the engine. So, I have had to send the engine to South Africa. The cost of all of this is UNEXPECTED and we estimate the total cost will be **around \$23,000**.

God has provided \$15,000 in matching funds. We are asking the Lord to touch hearts to help us with this need. Perhaps some who have never given could help us with a gift.

Airplane without Engine or Propeller

Engine crated for shipment to South Africa

We are a 501C3 tax exempt organization. Contributions can be sent the following ways. **Please designate "airplane"**.
