

## CHILDREN'S MINISTRY IS MULTIPLYING!

Dear Friends,

Are you one of the 386 that have "liked" our [Appointment Congo Facebook page](#)? If not, please do! This photo below is just one of many showing over 1,000 children "squeezed in" the building AND outside the windows to learn about Jesus!

This week in Tuesday class, I closed the doors at 936 children with another 160 outside of the church and countless others outside our fence. For crowd control, I use 14 high schoolers plus three pastors were there. I don't know how much more we can stretch... **Prayers appreciated!**

#### **Another Church Building under construction in Katako Kombe:**

This is the next church going up at Katako Kombe which is 165 kilometers from Lodja where we live. We have sent our sawmill team along with our portable sawmill, a team of masons, supplies like cement, reinforcing iron, brick making machine; workers, fuel, rice for the workers, truck chauffeur and boy chauffeurs who will haul water and sand and gravel. It is time consuming and very expensive just to build a simple church. Nothing is available there except gravel and sand which we pay for. Please pray for this construction and the Lord's blessing.

#### **Special Prayer Request:**

It is rainy season here, and we are awaiting delivery of rebuilt used trucks for us and a well rig, en route, but experiencing great obstacles getting here!
