

July 6 urgent

Subject: Urgent!

Dear Prayer Warriors,

Ben Lindle, 22 year old, 6 foot nine and 340 lb, son of Doug Lindle on our team was hospitalized and is in ICU in Lexington and is on a ventilator. His pancreas is infected and his cholesterol is 800. His lungs and kidneys are being affected as well.

Fortunately, there is a flight tomorrow into Kinshasa. Please pray for Doug as he leaves. New Hope in Wilmore is trying to get his ticket on Air France out of Kinshasa tomorrow night. There is not another Air France flight until Tuesday.

Please pray for Ben and for Doug and his family. We hate to see Doug leave but understand the urgency of his departure. Pray that all flights will work out and Doug will get home safely and quickly.

Continue to pray for all of our team members left, for our safety and for all of our families as well.

As I said earlier our fight is not against flesh and blood.
Engaged for the Kingdom, Marty
