Merry Christmas and Happy New Year

December 2013

from our home in Lodja, DR Congo to your home.

Isaiah 9:6

"For a child will be born for us, a son will be given to us, and the government will be on His shoulders. He will be named Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace."

The road projects are going well and keeping Paul busy with daily contact if the phones are working. Obviously, there have been some problems since you can't oversee eight projects of this magnitude without some forms of difficulty.

Within the last three weeks two new children's classes have been initiated. We have provided the necessary materials. It is exciting to see this ministry grow.

The second week of December we arrive in the states. On the 19th, Marty will have complete female surgery (this has been planned for 18 months!). We would appreciate prayers for this surgery and that He will cover the procedure and there will be no complications.

Again, Merry Christmas and Happy New Year!

Your Partners in Congo,

Paul and Marty
