Dear Friends:

October 2017

Children's Ministry needs more partners!

This is our current children's class at the new Edinga Church. This Children's Bible Ministry has been going for 10 years! It has been a joy to see it take root; grow and blossom.

We don't like asking for support, but limited funding is forcing us to cut back on our teachers and this ministry overall.

We are asking anyone who feels led to support this vital outreach to join us with a monthly tax exempt commitment or even a one-time gift.
