Dear Friends,

We arrived back in Congo in February after two medical procedures which delayed our departure by a month. We were cleared by our doctors to return.

It has been wonderful to be back in the classes with the children. Of course, on Easter we had our stories of the crucifixion and resurrection. Aren't we blessed that our Savior rose from the dead and has given us new life?

A student colored this picture. (below)

This past week we had the story of Noah, the Ark and the animals. (right)

The toys we bring back in our accompanied baggage from the states. The children love the toys especially the soccer balls!

I love this form of evangelism-felt

graphics on the board - that holds the attention of the

children as they listen to the Bible stories. They memorize scripture, sing songs and then color pictures that relate to the Bible stories. And finally... games!

You can be a part of our Children's Ministry by giving monthly or by a one-time gift. You can give monthly or as a one time gift.

The Crucifixion. The empty tomb. He is not here as he has Risen!
