## CLEARED TO RETURN TO THE CONGO!

November 2024

Dear Friends,

Life is improving! Paul was declared healed by his doctor on October 16. It's been a long time since July 8, but worth the wait and healing that has taken place on his left leg.

I was released on Friday, November 1 by my Occupational Therapist to drive. It felt natural to be back behind the wheel. Today I actually went out by myself to shop. Huge steps forward. I have worked very hard with my therapy in order to get here. I cannot afford to get lazy. At this stage, we are now scheduled to leave for Congo on December 8.

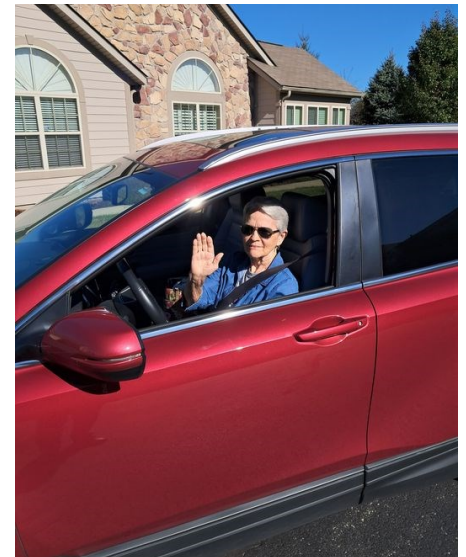

Paul and I appreciate the many prayers that have gone toward Heaven for us. We have felt the prayers and know the Lord has answered them.

I do have another prayer request. In 2008, I broke my right wrist for the first time and the doctor put in a plate at that time. When I fell on August 16, breaking this wrist again, the plate was bent. The doctor felt it was not necessary to do any surgery.

I am continuing to have difficulties when it comes to writing again. I can hardly write any more. I can sign my name if I do it slowly. I would enjoy being able to write if it is the Lord's will so your prayers would be appreciated.

We are excited to be getting ready to return to Congo very soon.

Your Missionaries in Congo, *Marty (and for Paul, too)*

*First time out driving.*
